"GREATER LOVE THAN THIS NO ONE HAS" Jn 15: 13

Day of Retreat for Veterans

Service to others takes many forms. Today we pause to express our appreciation to those who have served and are serving our Nation in military service. We believe that true and faithful service benefits all humankind. Now, more than ever, we must hear the call of Jesus that we might live our lives for the sake of others and the benefit of Nation and World. Please bring photos and mementos of those who have served their Country well.
