## **One day Retreat for Caregivers**

*"...Jesus held them in his arms and blessed them..."*

To care for someone is one of the most powerful things a human being can do. We place ourselves, as Caregivers, in the loving embrace of the Divine and one another. We remember how Jesus invited Thomas to touch his wounds. It is our privilege to touch the wounds of another even if it breaks our hearts. We bond in prayer and solidarity to realize anew none of us needs to be alone in our care for another.

Presented by Fr. Tom Bonacci C.P.
