Retreats for Men & Women in Recovery

Women: September 6th-8th, Men: September: 27th-29th 2019

"... There must be hope of the same result..."

The 12 Steps Tradition of Alcoholics Anonymous has become the standard for recovery programs of every types. The 12 Steps were born out of real-life experience by people who were amazed at their recovery. After a significant time of discernment, those who were experiencing their recovery had the generosity of heart to record and share their experiences with other suffering and recovering people. It is more than understandable why these Steps have formed the backbone of diverse practices of recovery. Our reflections on the Twelve Steps will explore the everyday implications of each step.

Fr. Tim Meier, SJ. Served as the Full-Time Support Chaplain for the California National Guard's Joint Force Headquarters for four years. He has remained sober since September 1979 and has been active in giving retreats for people in 12-Step recovery programs for almost 30 years. Between

2008 and 2016, Fr. Tim deployed overseas in support of Operation Iraqi Freedom, Operation Joint Guardian, and Operation Enduring Freedom (twice). During his combat deployment to Iraq in 2008 he had over 200 missions "outside the wire" -- without a weapon. He has an undergraduate degree in music and biology, as well as a Master's degrees in Philosophy, Immunology, Theology and Divinity and a Doctorate in Molecular Neurobiology
